Exclusive designer loft with a private pool in Poble Sec

Ref: P-018400

El Poble-sec / Barcelona Ciudad

We present this spectacular loft of exclusive design in the Poble Sec area. A unique property where contemporary architecture, spaciousness and comfort merge to create an exceptional residential experience. With an area of 297 m², this unique home has been designed to maximize natural light, functionality and the feeling of spaciousness. Its open and sophisticated design is complemented by an elegant glass wall that visually connects the interior with an exclusive chill out exterior area presided over by a magnificent private heated pool, creating a unique atmosphere. The main floor has a spacious living-dining room with generous dimensions, designed to enjoy a comfortable and elegant social life. At this level we also find a complete bathroom and a toilet, which provide practicality to the complex. The house has a sophisticated kitchen distributed in parallel, with two perfectly differentiated areas: one for preparation and cleaning, and another focused on cooking. This configuration optimizes functionality and brings a modern and professional aesthetic to the space. One of the great attractions of the property is its extraordinary feeling of spaciousness. The high ceilings allow the incorporation of a top floor, where the spectacular master suite resides, equipped with a d...
