

House in the center of Alella

Ref: PH100828

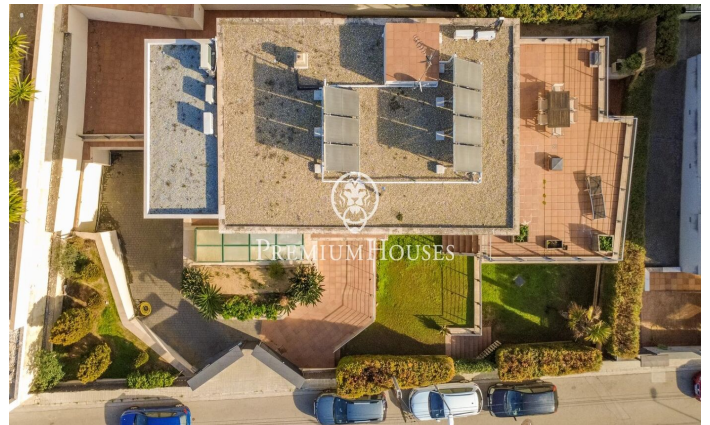

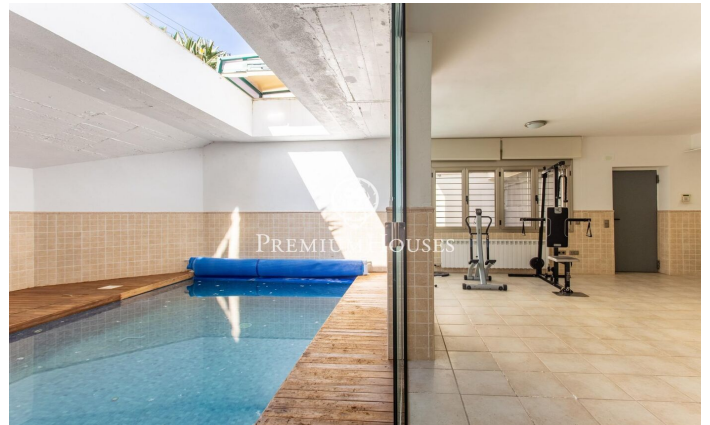

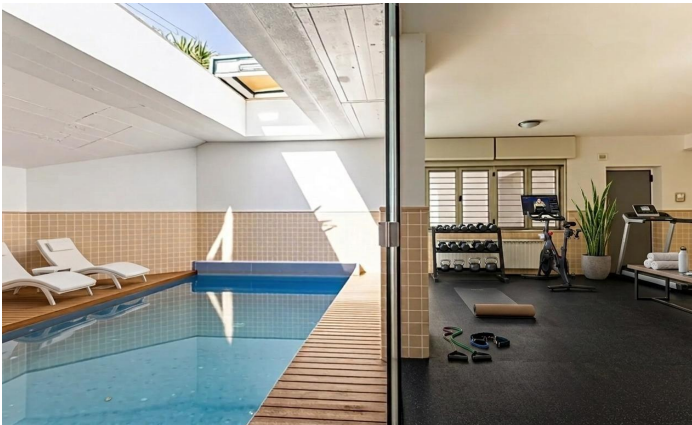

Alella / Maresme/Barcelona Costa Norte

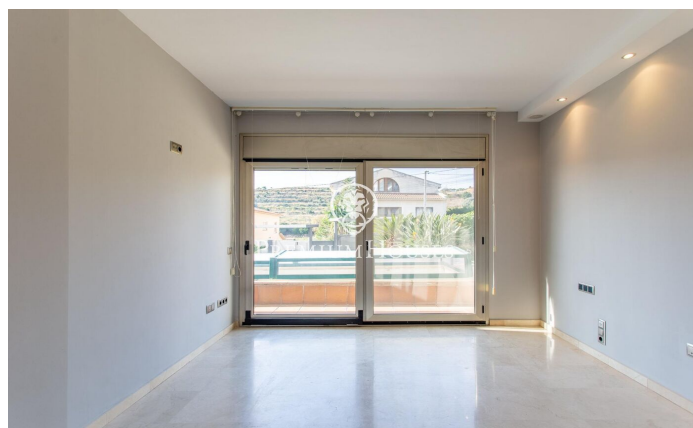

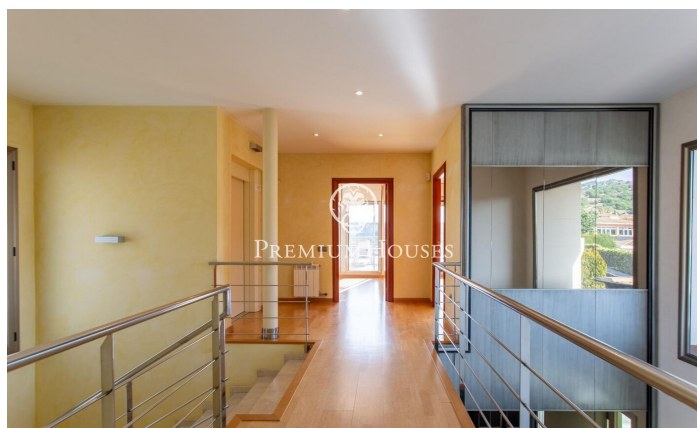

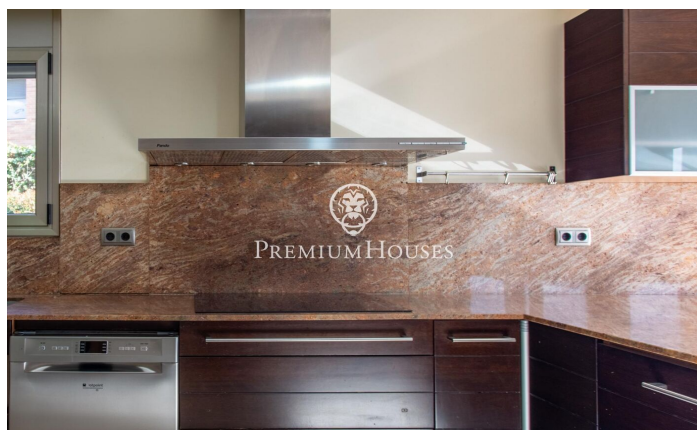

In the north coast of Barcelona, 10 minutes from Barcelona and Alella center is located this magnificent newly built house. Solid construction and installation of home automation, solar energy, central vacuum, internal megaphone system and background music throughout the house, sophisticated security system with alarm and video cameras, all electric fences and security fences with double glass with aluminum profiles first quality, air conditioning, automatic watering and a host of details that make this house a large property. On the main floor we find the living room with access to a terrace area plus kitchen with well water master suite with double closet closed type. On the upper floor we access by elevator there are the bedrooms with access to several terraces. One of them is completely soundproofed in order to use it as a music room. On the lower floor, all with a lot of light, is a separate apartment comprising 3 bedrooms plus a bath room and exit to the garden. On the same floor we find a wellness area with indoor swimming pool with more natural light into a multipurpose room with kitchen. The entire roof of the pool is open with a large glass window and can be opened or closed depending on the season. The whole facade of the house is open with large windows that get lots ...
