

Great house with charm in Barcelona Costa

Ref: W-02AACB

Argentona / Maresme/Barcelona Costa Norte

Spacious house with exceptional dimensions, surrounded by nature, close to all services, shopping area, schools and a few minutes from the highway that connects us with Barcelona in thirty minutes and also near the best beaches of Maresme. The house is divided into three floors. Very well differentiated the night zone of the day; with a large living room and next to it opens a large kitchen. The bedrooms are large, one of them is a suite. The third floor communicates directly with the garden where a second room has been located, with a bedroom and a large multipurpose room; This is an ideal area for the youngest of the house, it can also function as a private apartment. The garden is large and it has a nice private covered pool and barbecue area.
