

Stunning, bright, refurbished flat in Dreta de l'Eixample

Ref: P-017200

Dreta de l'Eixample / Barcelona Ciudad

This exclusive 197 m² flat, renovated with high-quality materials, is located on the 3rd floor of a classic building in the Quadrat d'Or neighbourhood of Eixample. It is very close to Paseo San Juan, a few streets away from Paseo de Gracia, very close to the city centre and the Born neighbourhood, one of the most sought-after locations in Barcelona. The day area features a spacious living-dining room with traditional Catalan vaulted ceilings and a fully fitted kitchen with a central island and integrated appliances. The kitchen connects seamlessly with the living space, creating a sense of openness and comfort. Additionally, the flat includes a generous entrance hall and a separate, practical laundry area. The night area offers four double bedrooms, all exterior-facing, bright, and fitted with built-in wardrobes. There are three fully equipped, designer bathrooms, one of which is en-suite, with modern and functional finishes. Thanks to its well-planned layout and north-facing orientation, the flat enjoys excellent natural light throughout the day, making it an exceptionally bright and welcoming home.
