Duplex penthouse with 3 terraces to customize in Diagonal - Turó Park

Ref: P-018240

Turo Park / Barcelona Ciudad

At the most coveted confluence of Diagonal Avenue, next to Turó Park, stands this imposing duplex penthouse, a collector's piece waiting to be sculpted. Located on a majestic finca Regia, this interior 175 m² space is not simply a property to be renovated, but a blank canvas to project a lifestyle without limits. Its balanced current distribution defines the potential of the house, housing on its first floor a double room and a single room, next to a kitchen with a pantry and a separate laundry area. The upper floor is reserved for privacy, offering an exclusive suite. Its true magic unfolds through three private terraces that add up to 84 m² of pure urban disconnection: from the living room you access a 24 m² oasis perfect for everyday life; On the upper level, an imposing terrace of 36 m²; And, as an intimate refuge, a third terrace of 25 m² looks face-to-face at Tibidabo in an absolute privacy dialogue. The property offers the privilege of an elevator with direct and private access to the heart of the house, guaranteeing a safe and sophisticated entrance. This is an unrepeatable opportunity for visionary investors and demanding buyers who are not looking for a house, but rather create the most emblematic and iconic attic of the Barcelona skyline.
