

Detached House with Garden and Pool in Begues Park

Ref: PHS101420

Begues / Barcelona Costa Sur

In the Begues Park neighborhood of Begues, we have this detached house with unobstructed views. The property includes a garage with space for two cars. The house is divided into two floors. We access the property through a well-maintained garden that leads to the main entrance. Upon entering the ground floor, the living area, we find a spacious atrium with a large skylight that floods the entire house with natural light and can be regulated by a home automation system. On that same floor, there is a large independent kitchen, a dining room, and a bright living room with a fireplace and direct access to the garden. In addition, there are two double bedrooms and two bathrooms. The first floor, the sleeping area, maintains the emphasis on natural light thanks to the skylight. It has three double bedrooms, two of which are en suite, and a terrace with direct access from two of the bedrooms. There is also a living room and a large, glass-enclosed study. On the basement level, you'll find a spacious garage, wine cellar, multipurpose room, laundry room, and boiler room/workshop. The house is surrounded by a private garden with a pool area designed for complete privacy. This outdoor space also includes a bathroom and separate kitchen, offering a comfortable and functional environment...
