

The elegance of minimalism, Costa Barcelona

Ref: W-016DON

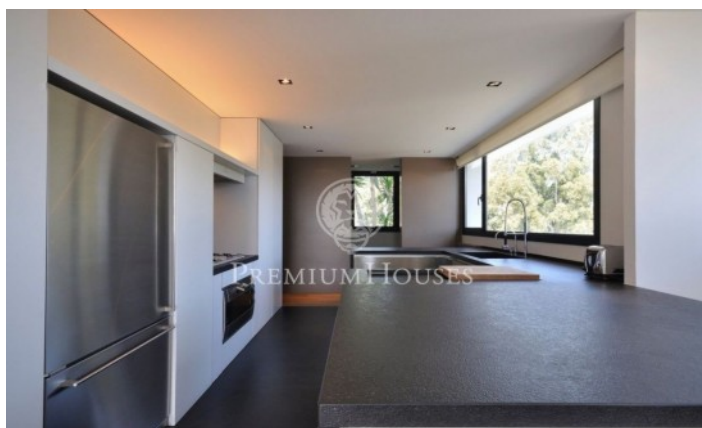

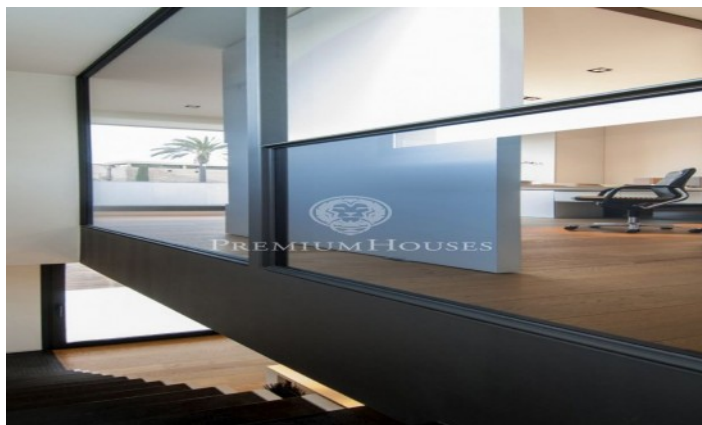

Cabrera de Mar / Barcelona Costa Norte

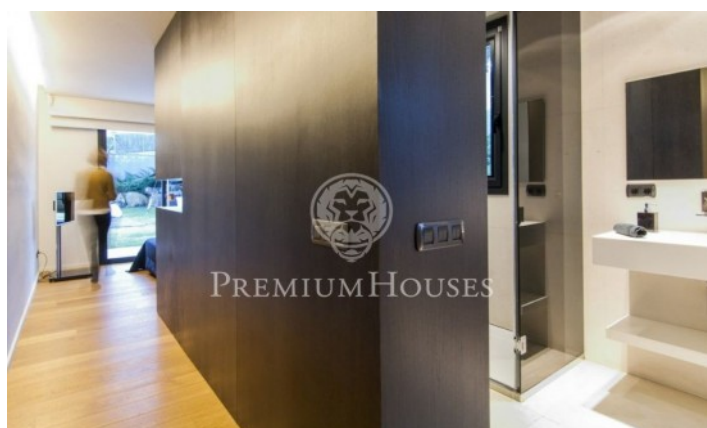

This magnificent property is situated in an idyllic location on a hill from which you can see a magnificent view of the sea. The owners wanted a large house according to the landscape, looking for a perfect harmony with its natural surroundings. The famous interior designer and architect named Rifé developed a project in that light, garden and pool be absolutely integrated, combining the highest modern design and the latest technology, with a simple and elegant architectural forms that give a great personality. The house is divided into two areas on the first floor has a large living room, standing out the large sliding windows that connect the inside to the porch, garden and pool. In the living room all the furniture has been designed as a simple and elegant style, a large fireplace presides all nights giving some warmth to the room. The kitchen is spectacular; all the appliances are Gaggenau brand, opens directly to the large eating area and the garden. Crossing the hall we get to a large suite with a stunning bathroom divided into three parts, large whirlpool tub with separate shower, all furniture is Philippe Starck brand, the designer has taken care of all the details such as the faucets like waterfalls that are repeated in all bathrooms, the master bedroom suite is large wi...
