

Light and panoramic views in Cabrils

Ref: W-023SIT

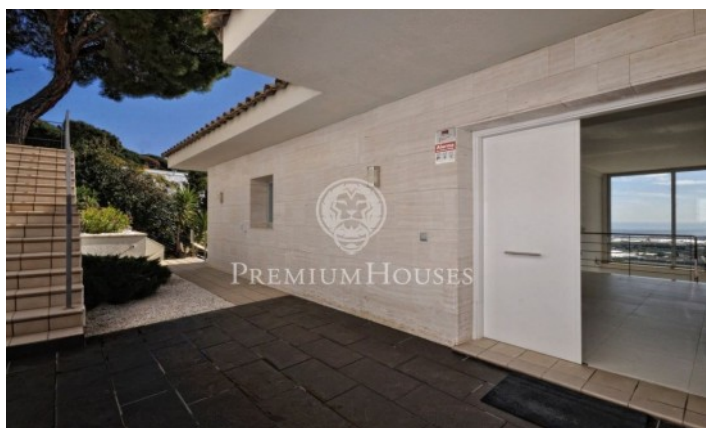

Cabrils / Barcelona Costa Norte

Spectacular house with two outstanding virtues, views and light. The house was designed by its current owners in 1992 with minimalist style. It has a construction of almost 500m² on a plot of 1,300 m². In a totally open space that is distributed in two floors plus loft currently, which is a music room and studio. On the top floor we find the master suite with large dressing room, fully updated bathroom and solarium terrace overlooking the sea, 4 bedrooms and 2 more bathrooms, one of these en Suite. On the ground floor before entering we find a distributor with an office area that gives access to the impressive dining room always illuminated by the large windows that give access to the porches and garden area. From inside the living room and from the porch you can enjoy the magnificent views and the luminosity too. On the same floor we have the modern kitchen with independent ironing area. There is another independent suite room in this area. It enjoys a large garden with swimming pool and high quality finishes.
