

Modern design house for sale in Castelldefels Beach

Ref: PHS100018

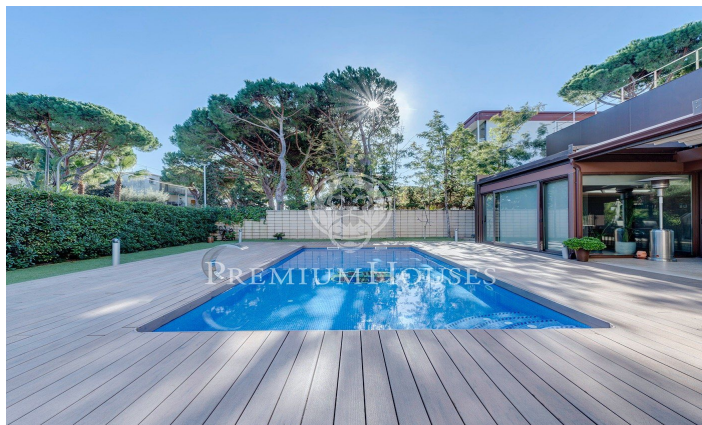

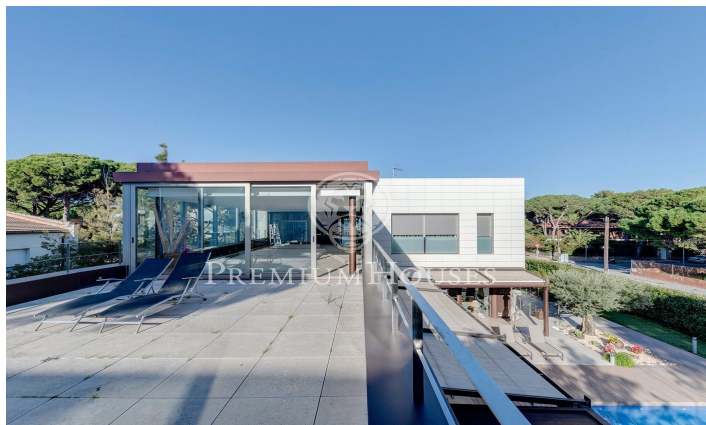

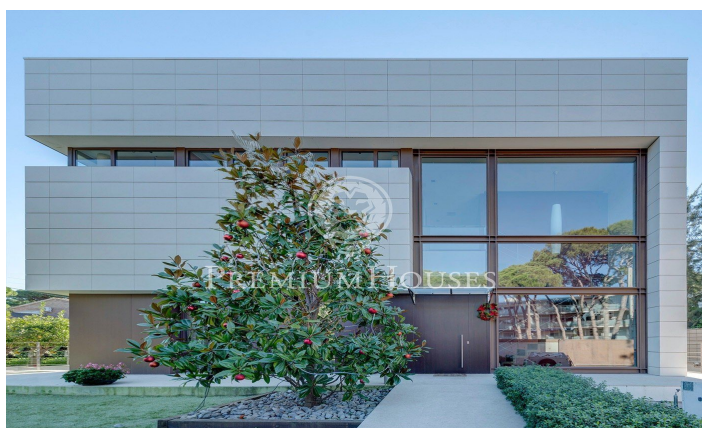

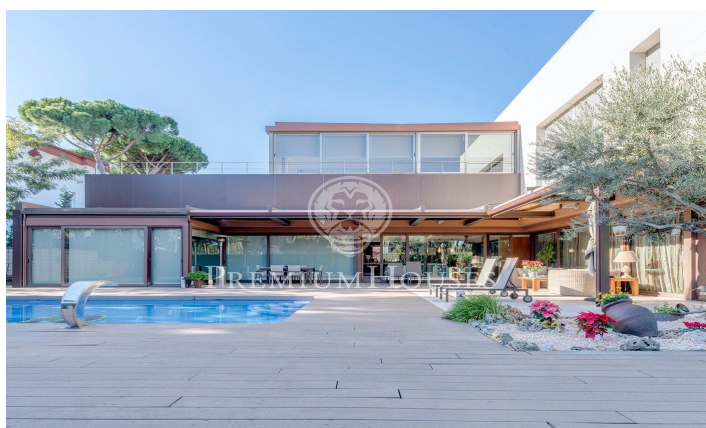

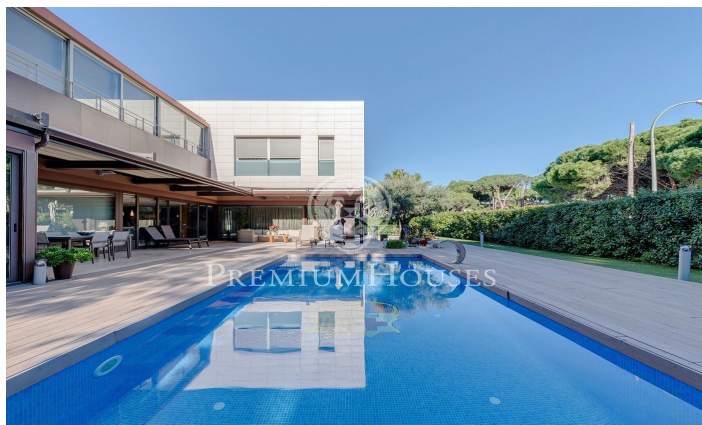

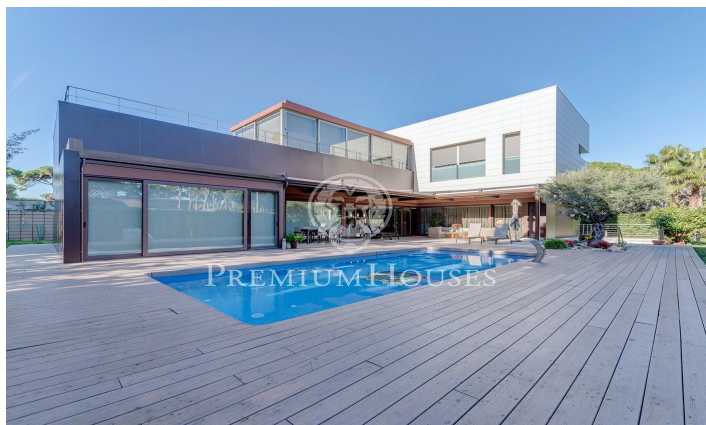

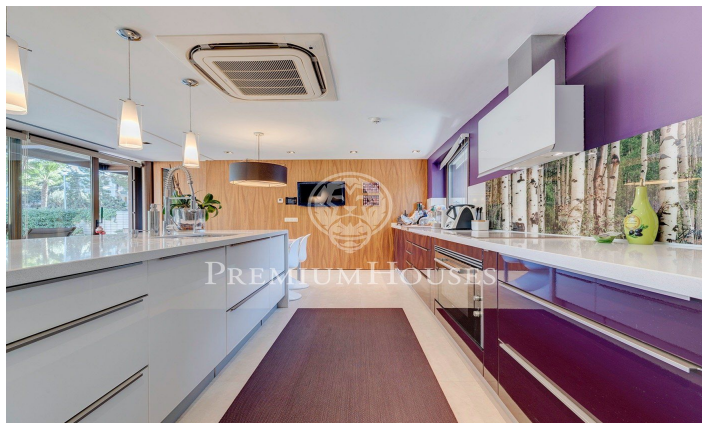

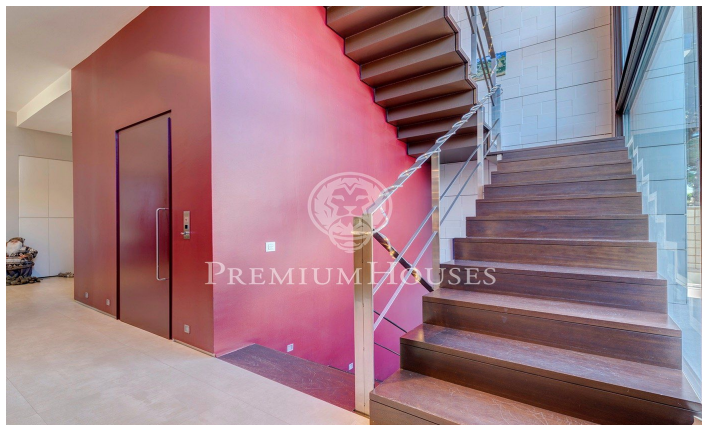

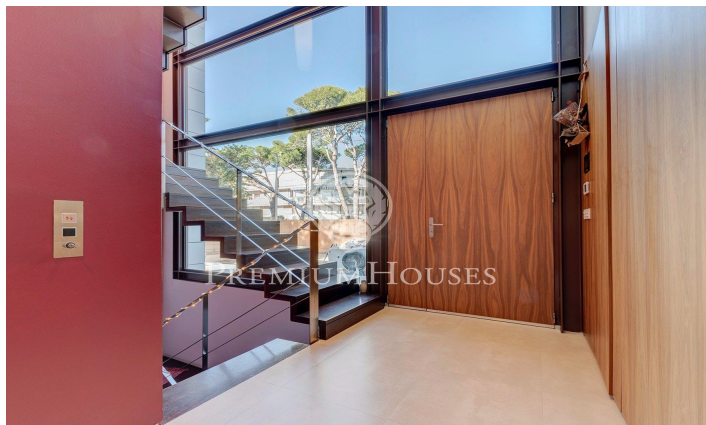

Castelldefels / Barcelona Costa Sur

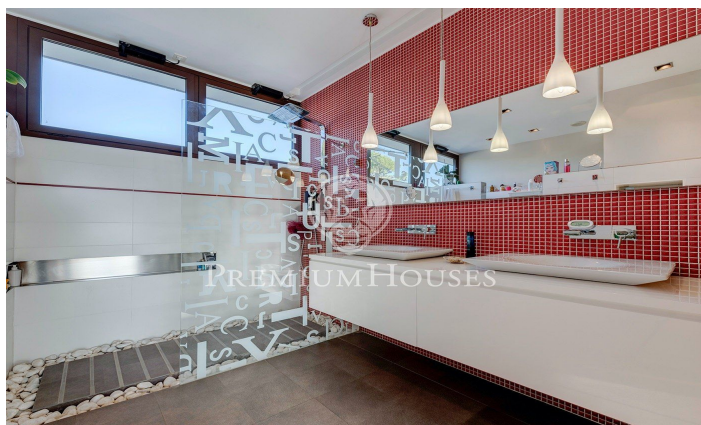

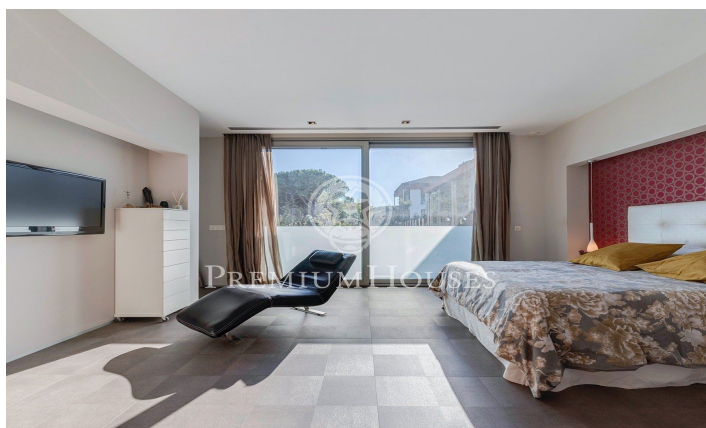

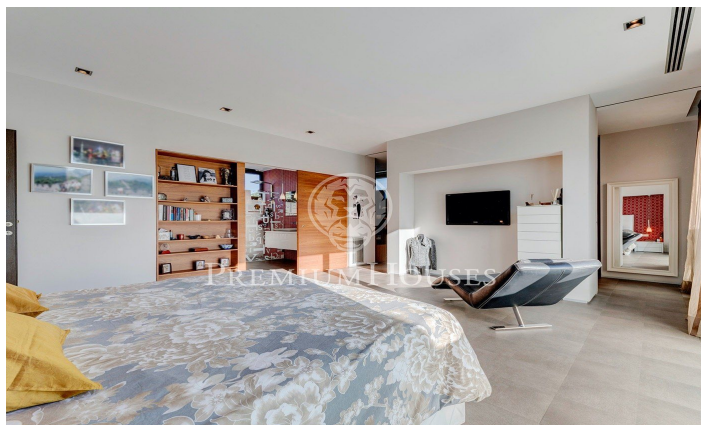

Located in the town of Castelldefels, this house is planned in a privileged and quiet residential area of the beach. With 500 m² built to the four winds and an extensive garden, it is the perfect home to enjoy throughout the year. The house is conceived as two overlapping volumes allowing a relationship of the well-designed interior and exterior elements. Inside, each space flows to the next, creating a sense of continuity. Designed to use natural light to create an open and spacious concept, the house is distributed over 3 floors communicated with each other through an elevator and a light design staircase. It is accessed through a large double glazed entrance hall, which leads us through a wide hall to the living and dining areas, entirely open and transparent, generating a fluid relationship with the exterior. The living area is completed by a large fireplace integrated into a wall covered by built-in wardrobes. On the other side of the great hall, within the social area we find an area of open office and a toilet. Adjacent to the living area is the spacious and functional kitchen, with a large island and an office area for daily use. I...
