Castelldefels / Barcelona Costa Sur

Beautiful villa located in the exclusive neighborhood of Bellamar, in Castelldefels. It is a 650 square meters house, built on a plot of 1.980 square meters. The villa has been designed to make the interior-external connection as large as possible, by using large French windows and doors that open to a covered terrace and a porch. The orientation of the house maximizes natural light and offers beautiful views of the tropical garden, the swimming pool, the rest area, and the Garraf National Park. On the ground floor, the entrance door leads to a beautiful and wide central corridor. This reaches to the other side of the villa and connects all the rooms of this floor. The living room and dining room, separated by a beautiful arch, offer an open space full of light with large windows and French doors to the covered porch overlooking the garden, the pool and in the background, the mountains. The large kitchen has a large storage space and a breakfast area. A wooden staircase leads to the upper floor where you can find 2 double bedrooms, both with fitted wardrobes and access to a large terrace, a bathroom with jacuzzi, corner bathtub and shower cabin. The master bedroom has a wooden roof, fireplace and two double doors that open onto a large private terrace overlooking the garden...
