

Modern jewel in the center. Costa de Barcelona

Ref: W-028KY5

El Masnou / Barcelona Costa Norte

Modern house is the private residence of a family of captains Masnou vessels, among which is José Martí Casals. In the late nineteenth century the family orders the reform of the house Gaietà Buïgas Monravà architect and author also Masnou House Charity and Columbus monument in Barcelona. Note the richly decorated facade, especially floral and geometric motifs framing the openings, the engravings garlands under the cornice and balustrade pierced and has a small courtyard in front. The development of maritime trade in the town, both coastal as liner from the eighteenth century to the early twentieth century, was facilitate the emergence of one of the most important social groups of Masnou, the saliors. The fortunes achieved both through this commerce, generated in America, was reflected in the construction of this rich private residences. The house is a wonderful piece, both for residence, business or institutional activity. Ground floor: entrance hall, has a large living room, three chambers, an office, a bathroom, 3 small bathrooms, a dining room, a kitchen with a dining room and engine room. On the first floor there are four bedrooms, a living distributor, a dining room, kitchen, laundry and roof. On the second floor there are two bedrooms, a large distributor and two util...
