Ref: PH101059

Mataró / Maresme/Barcelona Costa Norte

In the upper area of Mataró, capital of Maresme, near the Mataró Park shopping center and the Hospital, we have this renovated 19th-century country house and with beautiful views of the sea. The house is distributed over two inverted floors and has been completely renovated maintaining original elements of the time. Entering there is a large hall, on the right a beautiful and bright office. On this first floor is the night area, three bedrooms and a bathroom connected to the main suite, with a dressing room. The very bright and large ground floor consists of a large living-dining room with an open kitchen, a wine cellar and a guest toilet. We go out to the garden, distributed on several levels, with land to make the imagination fly, where there are two multipurpose annex buildings, fruit trees and even an area for a horse ... The beautiful frontal views of the sea stand out from the property! It is located five minutes from the highway, shopping center and eight minutes from the town center and beach.
