### Mataró / Barcelona Costa Norte

Very cozy and comfortable house. Surrounded by a beautiful garden where a large swimming pool has been arranged and next to it, we find a small orchard with a profusion of fruit trees. The house is very well distributed, divided into two floors and a large basement. On the ground floor we open a large living room, chaired by a beautiful fireplace. Next to it the large kitchen, then a courtesy bathroom; At the other end, the main suite of the house with its bathroom and dressing room has been arranged. On the first floor, we find the rest of the bedrooms, consisting of three large bedrooms, all doubles with beautiful views of the garden and the sea. The basement is very large with a large work area and a large parking lot for about 6 cars. Close to all services, schools, shopping area and very well connected with Barcelona, just forty minutes from the city center.
