Magnificent house, duplex type, in the center of Mataró; close to all services two minutes from the Riera and very close to the beach. This house is distributed over two floors. In the first, a large distributor has been arranged, from there we open the large and bright living room, presided over by a beautiful fireplace, then a room on the ground and finally the large square and very bright kitchen, next to the same ironing area and finally a courtesy bathroom. By some beautiful wooden stairs, we arrive at the night area proper, composed of four bedrooms, one of them the master suite with its large bathroom, a second bathroom serves the rest of the bedrooms. Finally we access a large solarium-type terrace of about 90m2, from where we see a beautiful view of the sea. We also have a large storage room available.
