

Exclusive house for sale to reform in Mataró

Ref: PH102682

Mataró / Maresme/Barcelona Costa Norte

In the capital of the Maresme region, we find this emblematic house that offers us endless opportunities. Its excellent location gives us access to all the services that the city provides, allowing us to enjoy the sea and all the cultural and gastronomic options. Located just 25 km from Barcelona, Mataró is becoming an even more popular city to live in. A beautiful building from 1950 with more than 200m² of floor space. The property has a great potential. Distributed over 2 floors with spacious rooms, very high ceilings, original flooring, double doors from the period, entrance hall, a wide staircase... a whole set of elements that give it a special value. In addition, it has large roof terraces that allow you to enjoy the outdoor space and a garage that communicates directly with the house. With access from different streets, gas installation and alarm system. The property needs to be completely refurbished. Please do not hesitate to contact us if you need more information and value this type of asset.
