Mataró / Barcelona Costa Norte

Housing recently built, 2008, located in a privileged environment for its majestic views of the coast to reach Barcelona city. The construction is of minimalist style, with a facade of brickwork and large windows with double glazing. It is divided into two floors, an upper floor from where it is accessed, with 3 bedrooms plus two bathrooms. The master suite enjoys a bathroom and dressing room. On the lower floor, we find the day area with a large living room with access to the outside-garden-pool, plus the kitchen plus pantry and laundry area plus two other bedrooms and two bathrooms. The whole house is surrounded by a garden that has an infinity pool, garden area and the best views of the sea and the environment. The facilities are state-of-the-art, as is the entire solar panel system that supplies the hot water plus electric heater. Installation of gas and boiler. Pavement of parket, chimney, barbecue. Saline overflowing pool. Lift. There is the possibility of extending the house through the upper terrace. To enter to live.
