

The last work of José Luís Sert

Ref: W-0081WA

Premià de Dalt / Barcelona Costa Norte

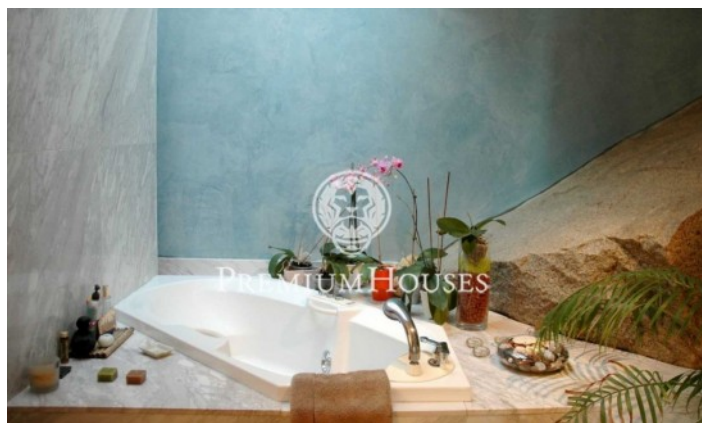

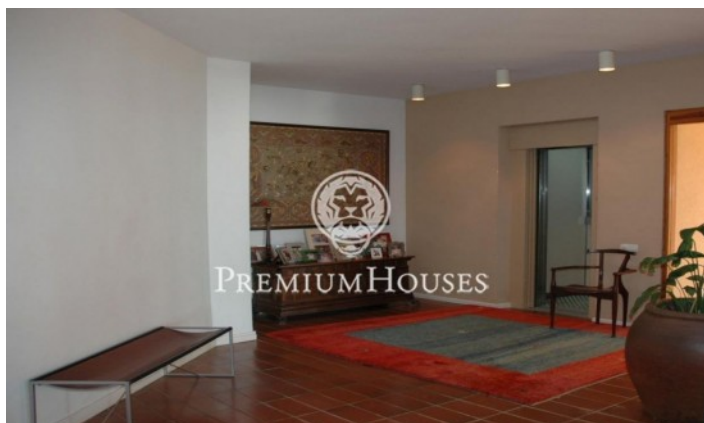

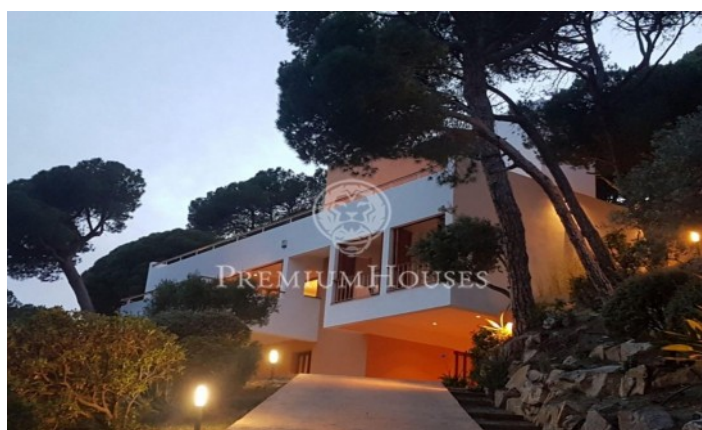

The great value of the house is for those who know how to appreciate that it is the posthumous work of the architect José Luis Sert and that is catalogued and published in books of architectural references. Cubic forms combined with the warmth of the wood and surrounded by Mediterranean vegetation. Designed interior spaces with amplitude and strategic light inputs, communicated by elevator and wide terraces with porch open to stunning sea views. As a differentiating element in the master suite, in addition to a large bedroom and dressing room, we find an original bathroom built around a natural stone that existed in the land was respected for its peculiarity.
