

Building plot with sea views for sale in Sant Cebrià de Vallalta.

Ref: PH101247

Sant Cebria de Vallalta / Maresme/Barcelona Costa Norte

Located in the Castellar de Indias housing development. It has a surface area of 760 m² with a slope and beautiful views of the sea and the mountains. The plot has access from two streets, so it is possible to build a garage independent from the house. It borders with a green area, so it will not be allowed to build in front of it. Equipped with water, electricity and street lighting. It is a quiet area in the middle of nature. About ten minutes driving from the beach and main services.

€96,300

760 m² plot

Sea views

Barcelona Coast, the best place to live
Over 2,500 hours of sun per year
