

House with Renovation Project in Puigmoltó

Ref: PHS101109

Sant Pere de Ribes / Barcelona Costa Sur

In the Puigmoltó neighborhood of Sant Pere de Ribes, we find this house in need of renovation, with a project included in the price. There is also the option to purchase the home in its current condition for €650,000. The price includes: • A 160 m² home with customizable layout and the option to expand. • Functional and modern finishes of basic quality, chosen for their aesthetic appeal and durability. • Modern, ready-to-use kitchen and bathrooms. • Split air conditioning. • Solar panel system for energy self-consumption. • Complete architectural project (basic and executive). • 600 m² plot with game fencing and land development included. The Puigmoltó neighborhood of Sant Pere de Ribes is characterized by its tranquility year-round, thanks to its prime location. All this without sacrificing a privileged location with respect to Sitges and the highway.
