In the Mas Alba neighborhood of Sitges, we have this brand-new villa. The home has a terrace, pool, and garden. The house faces south. The property consists of a living area with a living-dining room with a fireplace and access to the terrace, as to the pool and chill-out area. Next to this, there is an open-plan kitchen and a full bathroom. The sleeping area includes four double bedrooms, one en suite. All bedrooms have access to a terrace. The house has a parking space in the entrance courtyard. The property is scheduled for completion in 2026. The Mas Alba area is characterized by its proximity to the Garraf Natural Park and its tranquility.
