

Good location to develop a project

Ref: W-0269M1

Sant Pol de Mar / Maresme/Barcelona Costa Norte

The land has all the characteristics to be built. It is equipped with water, electricity, gas city, waste water evacuations. It has south orientation, sea and mountain views. The terrain has a certain slope, is not exposed to the winds and the type of soil is not wet, which will reduce the cost of construction due to lower thermal and hydraulic insulation. According to the determinations of the urban planning in force, it has access wheeled, it is illuminated. The plot is suitable to serve the construction, has telecommunications.

€280,000

1,200 m² plot
