

## Plot with many possibilities in Sitges, for sale

Ref: 10307

### Can girona / Sitges

In this amazing enclave we find these different lands in one of the most exclusive residential areas, with views overlooking the sea and the golf of Sitges. The land is buildable for high standing single family homes. Sitges, the Saint Tropez of our country, a municipality located 40 km south of Barcelona, in the Garraf region, increases its population considerably during the summer months. Recognized for its scenic beauty and its mild microclimate in winter, its cultural and architectural wealth with museums and beautiful modernist buildings, its variety of sports and nautical offerings with its two marinas and the leisure and gastronomy offer that it offers, is the favorite for many national inhabitants who are looking for a nice second-home place, such as foreign citizens who want to retire here, with quality of life.
