

Unique Nordic Design Attic For Sale In Poble Sec, Sitges

Ref: PHS100235

Poble sec/observatori / Sitges

This unique attic has an excellent quiet location and within walking distance of the town center (2-3 minutes) and the beach (6-8 minutes). It has everything you need within walking distance. The apartment itself is renovated in a rustic Scandinavian design with earthy colors. The living room with fireplace, kitchen and terrace is the heart of this apartment, and it is no coincidence that the photographer has fallen in love with the place, which has also been promoted in various decoration magazines. The apartment is equipped with two bathrooms with "double showers" in both bathrooms. Two bedrooms, and one of them as a suite with one of the bathrooms and a mini "walk in closet". It is a rare find in the pearl town called Sitges.
