Ref: PHS101196

### Quint Mar / Sitges

In the Quintmar neighborhood of Sitges, we have this semi-furnished detached house. The home stands out for its privacy and intimacy, and is in good condition. The property has a garage with capacity for two cars, as well as an outdoor area for parking three more cars. The house is divided into three floors. On the ground floor, we find a multipurpose space with a bathroom and access to the pool. Next to it, there is a single bedroom and its own bathroom. On the first floor, we find the living area, which consists of a spacious living-dining room with a fireplace and access to a large terrace. Adjacent to it is a fully equipped open-plan kitchen, a double bedroom, and a full bathroom. On the second floor, we find the sleeping area, which consists of three double bedrooms, one en suite. All bedrooms have built-in wardrobes. On the upper floor, there is a solarium with unobstructed views. The Quintmar neighborhood is characterized by its tranquility throughout the year. The location with respect to the Garraf Natural Park is unbeatable. All this without sacrificing optimal access to the C-32 motorway to Barcelona and the airport.
