Quint Mar / Sitges

In Quintmar, Sitges we find this modern housing project with unobstructed views. The property will have a garden and swimming pool. By enjoying open spaces and facing south, the house will receive plenty of natural light throughout the day. The house is distributed in an access floor, a day area floor and a night area floor. The access floor has space to park and an access staircase to the rest of the house. The first floor is where we find the day area. It is made up of a large open-plan room with a living room, dining room and kitchen. The kitchen has a pantry area. On the same floor we also have an office and a courtesy bathroom. At the same level of this floor we have a large terrace from which to enjoy the unobstructed views. The night area on the ground floor is made up of an en-suite room with a dressing room and three double rooms with a shared bathroom. All rooms have direct access to the garden. Said garden has a large pool. As it is a newly built property, it has all the comforts: duct air conditioning, solar panels, etc. The house has a term of 12 months for completion. All finishes are customizable Quintmar is characterized for being one of the quietest neighborhoods in all Sitges. It has an unbeatable location to the Garraf natural park without giving up be...
