

Townhouse with Communal Pool in Quint Mar

Ref: PHS101135

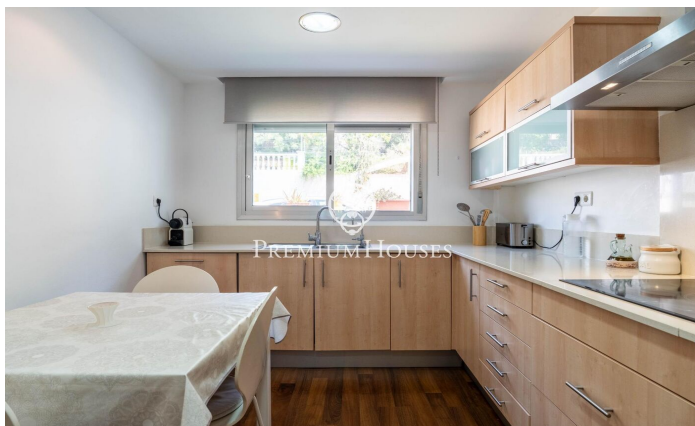

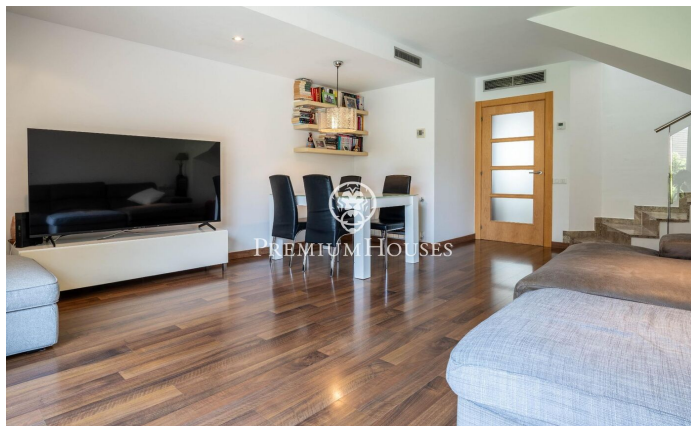

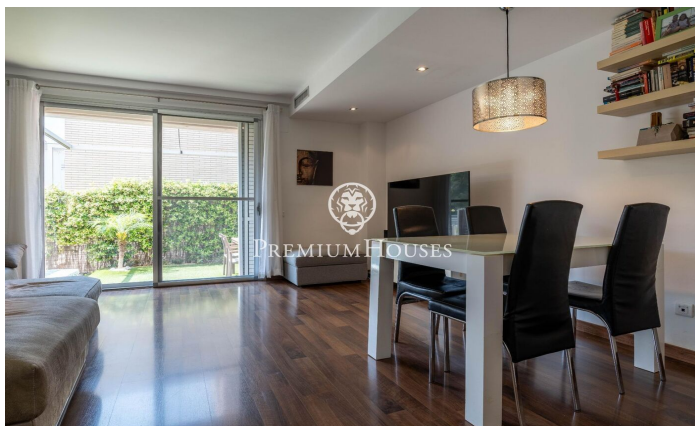

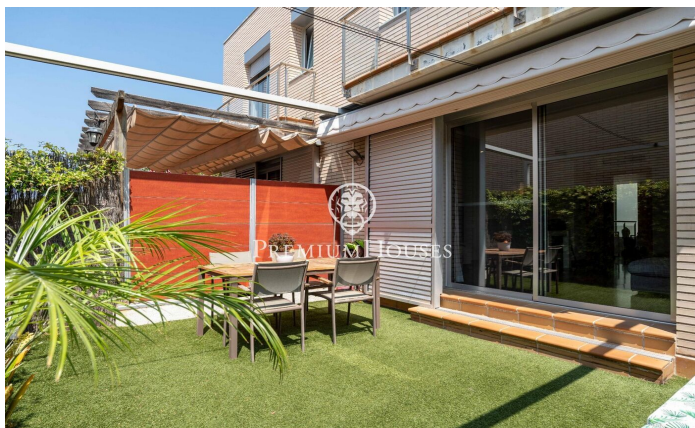

Quint Mar / Sitges

In the Quint Mar neighborhood of Sitges, we find this well-maintained terraced house. The property is part of a community with a swimming pool and gardens. The home enjoys plenty of natural light thanks to its south-facing orientation and features an outdoor space with a landscaped terrace. The house is distributed over two floors. On the ground floor, there is a living-dining room with access to the terrace and direct entry to the communal area with the pool. Next, we find an independent kitchen with a cozy dining nook. A guest toilet is located nearby. The first floor offers three bedrooms: one en-suite with built-in wardrobes and access to a balcony, and two single bedrooms. A full bathroom serves the two single bedrooms. The property includes a garage with space for one car and ample storage. The Quint Mar neighborhood of Sitges is known for being the quietest area of the town, located very close to the Garraf Natural Park. All this without giving up excellent access to the C-32 motorway, making it easy to reach both Barcelona and the airport.
