Terramar / Sitges

In the La Plana neighborhood of Sitges, we have this brand-new detached house. The property features a swimming pool and garden and enjoys abundant natural light thanks to its south-facing orientation. The property is divided into three floors. On the ground floor, the living area comprises a large living-dining room with access to the terrace, which leads to the pool and garden. Adjacent to this is an open-plan kitchen and a double bedroom with an en-suite bathroom. On the first floor, the sleeping area consists of four double bedrooms, all with en-suite bathrooms. All bedrooms have access to a terrace. In the basement, there is a studio, a garage with space for three cars, motorcycles, and bicycles, and a laundry room. The house is scheduled for completion in June 2026. The La Plana neighborhood of Sitges is a quiet residential area close to essential services, while still being within easy walking distance of the town center.
