A splendid farmhouse surrounded by mountains and in the natural protected environment. Located just 5 km from the sea, currently dedicated to horse breeding. Has a total area of over 25 hectares, of which about 6 are paddocks and fences. It has its own water enough for the current occupation. Consists on 2 buildings separated by about 15 meters. The main one is an old Catalan farmhouse with 3 floors and 1,275 m², that needs some updating. The second building is an old stone barn completely restored and divided into 2 floors of about 170 m², on the lower part we found 10 recently constructed boxes and the top is ready to build rooms.
