Stone Farmhouse with Garden in Valls

Ref: PHS101259

Valls / Tarragona - Costa Dorada

Stone farmhouse built in 1800 (renovated in 2000) in Valls, surrounded by a large garden with trees and an enclosed courtyard that provides maximum privacy. It stands out for its traditional architecture, spacious rooms, and peaceful rural setting. Ideal for residential use or rural tourism. The house is distributed over three floors. The ground floor has a spacious entrance hall, living room with fireplace, two double bedrooms and a full bathroom, plus a half-bath. The entrance hall leads to the stone porch that connects to the garden. On the first floor are the living-dining room, separate kitchen, and three double bedrooms, one of which is en suite. A terrace completes this floor, with open views of the surroundings. The second floor is an attic space in need of renovation, with a roof that requires refurbishment. The property also has a wine cellar. An auxiliary building with a covered area serves as a garage/parking space. Located in a quiet area of Valls, it combines the tranquility of the countryside with excellent motorway connections. Just 20 minutes from the beaches of the Costa Dorada and one hour from Barcelona.
