Exceptional modernist house for short-term rental

Ref: PH103694

Vilassar de Mar / Maresme/Barcelona Costa Norte

Exclusive modernist-style property for rent, designed in 1925 by the prestigious architect Eduard Ferrés i Puig. Located in the heart of the historic centre of Vilassar de Mar, on one of the most charming streets. The property has double access from two streets and is surrounded by private gardens that envelop the house and enhance its stately and timeless character. The main entrance is through the garden, presided over by an elegant summer terrace with a stone balustrade. From here, you enter the interior, which leads to a refined hall, where a spectacular original stained-glass window, designed by the architect himself, anticipates the nobility and uniqueness of the property. The entrance hall stands out for its marble columns, original hydraulic floors and a majestic wooden staircase, the true centrepiece of the house. The entrance hall leads to an elegant room with three large windows that flood the space with natural light and offer pleasant views of the garden. The spacious living-dining room is divided into two perfectly distinct areas: the dining room, with an extraordinary wooden coffered ceiling decorated with ornamental ceramics, and the living room, presided over by a delicate vaulted ceiling. A glazed panelled door connects the dining room directly to the garden....
