### Vilassar de Mar / Barcelona Costa Norte

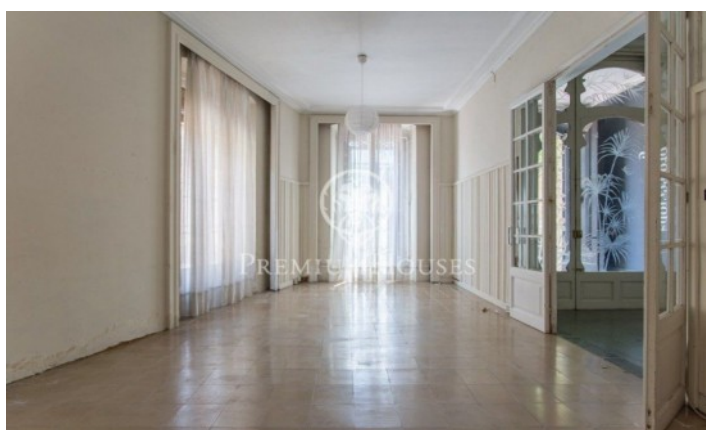

Vilassar de Mar, coastal town 25 minutes from Barcelona, just 100m from the beach, with quick access to both the highway and the NII. It has direct transport to Barcelona both by train and bus, with primary and secondary schools and all stores such as pharmacies, supermarkets, health centers etc.. Indian manor house built in 1841 in the center of Vilassar de Mar and 200 meters from the beach. Just enter we find a modernist front door, acristala and hand carved that leads to a hall of the time, giving way to the elevator to access all floors. From the hall I access to two impressive living rooms that give access to the garden, the kitchen and a courtesy bathroom. The garden is dominated by a large porch and has the old laundry rooms and a large cellar. Access from the elevator or by its stately staircase we reach the second floor where we find 5 double bedrooms and a large suite and two more bathrooms. On the top floor two rooms with terrace and large windows overlooking the sea and the town. It has elevator, air conditioning, heating, fireplace, large garage for two cars and own water well.
