Ref: PH100708

Sant Cebria de Vallalta / Maresme/Barcelona Costa Norte

We present this four winds house with impressive sea views, with its own swimming pool, located in Vistamar, one of the best residential areas of Sant Cebrià de Vallata. The house is distributed on one floor and consists of a bright living-dining room with access to the terrace with sea views, a kitchen, three double bedrooms and a recently refurbished bathroom. From the kitchen we access to a covered porch that communicates with the garden and swimming pool. The house is equipped with solar panels with storage battery, so the electricity consumption is very low. The plot offers two areas: a relax area with its own swimming pool on a flat plot with fantastic views and another area with access from the street with porch and outdoor parking.
